THE WHITE HOUSE

WASHINGTON

April 24, 1975

File

Dear Mr. Chairman:

This is to acknowledge and thank you for the April 18 letter to the President from you and 12 of your colleagues regarding the Imported Fire Ant Control Program.

I have noted your reasons why you feel that it is essential that the Federal Government continue to support an effective fire ant program. I shall see that your letter is called to the President's attention and that your views are given most careful consideration by the persons whose area of responsibility covers this subject.

With kind regards,

Sincerely,

Bill Kendall
